## RoHS Conformity Declaration

*Date 06/05/2015*

This Declaration is made by: IODA s.r.l.

for the benefit of and/or any of its subsidiaries or affiliates.

We hereby declare that all products that the delivers to the Customer from the date of this declaration are and will fulfill the RoHS (2011/65/UE) requirements and their updates, with reference to the restriction of the following hazardous substances:

- 0 Lead [Pb]
- 1 Hexavalent Chromium [Cr<sup>6+</sup>]
- 2 Mercury [Hg]
- 3 Cadmium [Cd]
- 4 Polybrominated biphenyls [PBB]
- 5 Polybrominated Diphenyl Ethers [PBDE]

By signing this letter, the undersigned Supplier agrees that all supplies from the Supplier to Customer will comply with applicable EU rules, regulations and directives, including without limitation the RoHS Directive, meaning that no raw materials, compounds, components or products incorporated into the products supply contain any material or substance banned under said directive. Supplier confirms the compliant substances are equal or better in quality, performance and functionality as their predecessors.

The supplier is available to give to the customer any additional evidence about RoHS compliance of their components/materials according with the standard CENELEC EN 50581:2012 – Technical documentation for assessment of electrical and electronic products with respect to the restriction of hazardous substances.
